CORAM: HONOURABLE MR. JUSTICE ASHUTOSH KUMAR
ORAL ORDER

3 21-12-2017

Heard the counsels for the parties.

The petitioner seeks bail in connection with
Araria P.S. Case No. 211 of 2017 dated 02.04.2017 instituted for
the offences under Sections 302, 120 (B)/34 of the Indian Penal
Code.

The petitioner is husband of the deceased.

It has been alleged in the F.I.R that the deceased
was being pressurized and tortured for bringing additional dowry.
For the purposes of pacifying the family members of the deceased,
the informant, who is father of the deceased had also given some
signed blank cheques after taking an assurance from the other
family members that his daughter would not be troubled in future
for bringing any dowry. Later, the informant was communicated

that the deceased has been killed. The dead body was found by the informant in the matrimonial home. During the course of investigation, it came to light that the petitioner had communicated to the local police station that about 3-4 miscreants had entered his house and had killed the deceased. However, it was further found out that the mother-in-law of the deceased had deliberately left for Bhagalpur along with her two grand-sons so that the act of murder is not witnessed by the children and others. It has also come to light during the investigation that an effort was made by the petitioner and other accused persons to give a colour of dacoity in the house and deliberately household articles were strewn all over. The investigation reports clearly indicate that the deceased was done to death.

For the aforesaid facts, I am not inclined to grant bail to the petitioner.

The prayer for bail of the petitioner is therefore rejected.

(Ashutosh Kumar, J)
