CORAM: HONOURABLE THE CHIEF JUSTICE

ORAL ORDER

3 09-08-2017 This application was filed for restoration in the year
2003. Office has pointed out various defects and even though the
defects have been pointed out in the year 2003, they have not been
rectified till date and when the matter is taken up none appears for
the applicant. It seems that the applicant is not interested in the

matter and now with the passage of time no useful purpose will be served by restoring the contempt application.

Accordingly, finding no case for restoration, the application is dismissed with liberty to the petitioner to initiate fresh proceedings in case they have any grievance still subsisting.
