CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

2 04-05-2017 The petitioners are apprehending their arrest in

connection with Amour P.S. Case No. 83 of 2016, registered for

offences punishable under Sections 302/34 Indian Penal Code.

It has been submitted on behalf of the petitioners that

though petitioners are named in the F.I.R. but their names

transpired in this case only on the basis of suspicion as the dead

body of the deceased was found in his sasural. Further even

according to F.I.R it appears that wife of the deceased has

relationship with some other person for which the deceased used

to protest and further post-mortem report does not suggest any

definite opinion about cause of death and, therefore, the Viscera of

the deceased was sent to forensic laboratory for examination and

according to learned counsel for the petitioners viscera report has

been received and that shows that the deceased had consumed celphos.

Learned counsel for the State opposed the prayer for bail and submitted that there was some injuries on the person of the deceased, which will appear from perusal of post-mortem report itself.

Having heard both sides, considering the facts and circumstances of the case, nature of allegations, I am not inclined to grant the petitioners the privilege of anticipatory bail.

Let petitioners surrender before the court below and make prayer for regular bail, which will be considered by the court below on the merit of the case without being prejudiced by the order of this Court.
