CORAM: HONOURABLE MR. JUSTICE BIRENDRA KUMAR
ORAL ORDER

3 22-06-2017 Heard learned counsel for the petitioner and learned
Additional Public Prosecutor for the State.

The petitioner is apprehending her arrest in a case
registered for the offences punishable under Sections 328, 302 and
120B of the Indian Penal Code.

According to First Information Report, the husband
of the informant was willing to sell some immovable property to
get her daughter married. The husband of this petitioner is son of
the informant. Allegation is that husband of this petitioner
Vidyasagar Singh and the petitioner were opposing the proposal.
However, the husband of the informant was negotiating with some
people, for that reason allegation is that the petitioner and her
husband administered poison to the husband of the informant as a
result whereof he died. The informant claims to be the eye-witness

of the occurrence.

Learned counsel for the petitioner submits that the deceased in his dying declaration has not alleged anything against the petitioner which would be evident from his statement wherein he stated to her son Vidyasagar Singh that he would face consequences of his act.

Considering the background and nature of allegation against the petitioner, I am not inclined to enlarge the petitioner on anticipatory bail in connection with Bhagwanganj Police Station Case No. 58 of 2016 pending in the court of learned Judicial Magistrate-1st Class, Masaudhi.

However, prayer for regular bail of the petitioner shall be disposed of without being prejudiced by this order and considering the fact that she is a female.
