Heard learned counsel for the appellants and perused

Pago/

the limitation petition, which is I. A. No. 8806 of 2015, wherein there is a delay of 320 days.

The reason assigned that they did not have proper information and inputs about the decision, which has caused the delay, is a lame duck excuse, which cannot form the basis for condonation of delay.

The limitation petition is dismissed, so is the appeal.
