**CORAM: HONOURABLE MR. JUSTICE JITENDRA MOHAN SHARMA**  
**ORAL ORDER**

2      08-11-2017                      Heard learned counsel for the petitioner and the learned counsel representing the State.

The petitioner wants to renew the prayer of bail which was earlier rejected vide order dated 05.07.2017 passed in Cr. Misc. No. 16638 of 2017 which was disposed of with Cr. Misc. No. 10990 of 2017, on the ground that the work has already been completed and the petitioner has not given wrong report. The allegation of misappropriation of money is vague and general and is not specific against the petitioner. As a matter of fact, no misappropriation was done and work was completed as per estimate. This case has been lodged only on imaginary story and I.O. after verifying the facts has written wrongfully that no work

was done and, as such, the petitioner deserves sympathetic consideration.

The learned A.P.P. opposes the prayer of bail by submitting that the investigating officer has visited different places of occurrence and found that no work was done. The petitioner was junior engineer and he submitted wrong report.

In the facts and circumstances stated above, finding no good ground for reconsideration of prayer of the bail, again prayer of the bail of the petitioner stands rejected.

However, in case and if so advised the petitioner surrenders and seeks regular bail then his prayer for regular bail shall be considered preferably on the same day on its own merits without being prejudiced by the order of this Court.
