ORAL ORDER

3 21-12-2017 Heard both sides.

The petitioner apprehends his arrest in Turkauliya P.S.
Case No.621 of 2016 under Sections 304(B) and 120(B) of the
Indian Penal Code.

The informant, the father of the deceased alleged that
he married his daughter with the petitioner on 24.04.2016. His
daughter living happily with them in her sasural but her husband
and other in-laws began to torture his daughter due to non-
fulfillment of demand of dowry. The informant was informed that
dead body of his daughter is hanging from the roof.

The learned counsel for the petitioner submits that
during the course of investigation, it has come that the deceased

was suffering from mental depression and prior to the occurrence, she made two or three attempts to do away with her life. Petitioner is of course the husband of the deceased but no specific allegation is made against the petitioner.

From perusal of the F.I.R. and the case diary, it appears that father of the victim and others have made very specific allegation that the petitioner being the husband of the deceased was always torturing the deceased. The deceased was found dead in her sasural within 8 months of her marriage.

Considering the facts aforesaid, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.
