CORAM: HONOURABLE THE CHIEF JUSTICE
ORAL ORDER

4 15-12-2017 Keeping in view the order passed by the authority
concerned on 25th of March, 2013 deciding the claim of the
petitioners, now no further action is required to be taken in the

matter. The petitioners may challenge the said order afresh in accordance with law. Merely because in between the petitioners were not reinstated and status quo ante was not granted, the petitioners may claim salary for the said period. For the said purpose, I do not find any reason to initiate action for contempt.

As both the applications have been filed complaining breach of the same order, they are disposed of by the same common order.
