CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
ORAL ORDER

5 03-04-2017 Heard the parties.

Learned counsel for the petitioner submits that work order has been cancelled but certain work has been done and materials are lying in the private land of the petitioner as public road can not be constructed over his private land without permission of the petitioner.

Learned counsel for the State submits that in view of cancellation of work order whatever advance has been given

the same has been directed to be returned. No materials are lying in the private land of the petitioner.

In such view of the matter, the authority would see if anything is lying that should be removed within one month from today. If they would fail to remove the material the petitioner, if so advised, may use it for his personal use.

Accordingly this application is disposed of.
