CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI
ORAL ORDER

2 17-05-2017

Heard learned counsels for the parties.

Perused the order, dated 20th of January, 2016. There is no error apparent on the face of record, which requires to be rectified in the review application.

The stand of the petitioner that a notification, contained in Annexure-4 to the supplementary affidavit, was not brought to the notice of the Court, does not help the situation in

any manner, because nothing has changed, even otherwise, in terms of liability and requirement for grant of benefit of MACP.

Review application is dismissed.
