CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI
ORAL ORDER

4 02-08-2017 Heard learned counsel for the State and counsel for the respondent.

The review application is dismissed, because there is no error apparent on the face of record. If the State authorities have chosen not to assist and file affidavits or rebut the position, taken by the opposite parties, whose writ remained pending for 11 years, then the only thing this Court can allow is to fix

responsibility upon the authorities, who was responsible for the predicament of the State. But, otherwise, the Court is not satisfied with failure of the State at all stages, which should be the reason of now reviewing or recalling the earlier order, which has already been implemented.

Review application is dismissed. The liberty given with regard to fixing responsibility is open to the State authorities.

(Ajay Kumar Tripathi, J)
