CORAM: HONOURABLE MR. JUSTICE JYOTI SARAN
ORAL ORDER

5 08-02-2017 None appears on behalf of the petitioner. Mr. Manish Kumar, learned Assisting Counsel to Additional Advocate General No.6 appears and informs that the private respondent who is review petitioner herein had appeared before the writ court and opposed the writ petition which went in favour of the writ petitioner on grounds of the order being passed in violation of the principles of natural justice.

Pleadings on record reflect that the review petitioner was respondent no.8 to the writ petition and had contested the

writ petition when the order under review was passed on 18.3.2010. Meaning thereby it has taken six years for the review petitioner to file this review application.

Even on merits there is nothing on record of the review petition which would persuade this Court for a review of the order of writ court whereby the order put to challenge was quashed on grounds of denial of reasonable opportunity to the writ petitioner. The grounds raised herein do not make out a case for review.

This civil review application is disposed of accordingly.
