**CORAM: HONOURABLE MR. JUSTICE MUNGESHWAR
SAHOO
ORAL ORDER**

4 20-02-2017 Heard learned counsel Mr. Bhubneshwar Prasad for the

petitioners.

Perused the impugned order dated 15.07.2016 passed
by learned Subordinate Judge-VII, West Champaran at Bettiah in
Title Suit No.62 of 2008 whereby the learned court below has
rejected the review application filed by the defendants-petitioners.

It appears that the plaintiff-respondent filed the suit for
declaration of title and recovery of possession. The petitioners
filed written statement and also counter claim. The petitioners then
filed application before the court below seeking permission to
reconstruct the boundary wall on the ground that the petitioners
have already constructed the boundary wall prior to institution of
the suit but the plaintiff has demolished the same. By order dated
20.02.2016 the said application was rejected. This order is not
challenged. The petitioners then filed review application. By the

impugned order the court below has rejected this review application. The petitioners have challenged only this order.

From perusal of the impugned order, it appears that the court below has considered the submissions of both the parties and thereafter rejected the same.

Admitted position is that now at present there is no boundary wall at the spot. The court below considered each and every aspect of the matter argued by the parties before the court below and then found that it is not a case for review.

In such circumstances, in exercise of supervisory jurisdiction this Court cannot interfere with the impugned order and thus, this civil miscellaneous application is dismissed.
