ORAL ORDER

4 09-01-2017 Heard both sides.

The petitioner seeks bail in Cheria Bariyarpur P.S. Case
No. 29/2016, registered for the offences punishable under Section
387 and other Sections of the Indian Penal Code and Section 27 of
the Arms Act.

The informant alleged that he along with his brother
was going on his motorcycle, but the petitioner and four other
persons came on two motorcycles. The petitioner and Sonu Kumar
are alleged to have fired which hit on the head and neck of the
informant Chandramauli Singh.

Learned counsel for the petitioner submits that the
petitioner has falsely been implicated in the case as Urmila Devi,

wife of the informant, filed complaint case against the informant Chandramauli Singh in which the petitioner is a witness and that is why the informant named the petitioner as assailant, *but* during course of investigation it appears that the informant and other witnesses have categorically stated that the petitioner and Sonu Kumar fired which hit on the head and neck of the informant and the doctor opined that both the injuries are grievous in nature.

Considering the facts aforesaid, I am not inclined to enlarge the petitioner above named on bail at this stage. Accordingly, the same is rejected.

If the trial is not concluded within six months from the date of receipt/production of a copy of this order, the petitioner may renew his prayer for bail.
