CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

4 16-10-2017 The petitioner seeks regular bail in connection with

Nanhpur P.S. Case No. 143 of 2017, registered for offences

punishable under Sections 363, 364 and 120(B) of Indian Penal

Code.

Allegation against the petitioner and other is of killing

the son of the deceased.

It has been submitted on behalf of the petitioner that he

has falsely been implicated in this case and save and except last

seen theory, there is nothing against the petitioner so as to

implicate the petitioner. It has also been submitted that in fact the

deceased died due to drowning as he had gone to buy wine from

Nepal for his marriage and because of checking by the police, he

changed root and tried to cross the river, in which he drowned.

Further it has also been submitted that though it is alleged that deceased had some injury on his person, however, the said injuries might have caused by the stones that were in the said river.

Learned counsel for the State as well as learned counsel for the informant opposed the prayer for bail and submitted that there is strong suspicion against the petitioner that he along with other accused persons have killed the deceased and the person of the deceased had some injury on his neck.

Having heard both sides, considering the fact and circumstances of the case and nature of allegation, at this stage, I am not inclined to release the petitioner on bail, his application for regular bail is, accordingly, rejected.

However, the petitioner may renew his prayer for bail after framing of charge in this case.

(Vinod Kumar Sinha, J)
