ORAL ORDER

(Per: HONOURABLE THE CHIEF JUSTICE)

3 24-03-2017 The question of attachment of Barauni Circle to the District Registration Office, Begusarai and the consequential inconvenience that may be caused to the people living in Barauni Circle is an administrative and executive decision to be taken by the administrative authorities based on the policy decision and administrative consideration of the department and the Writ Court, in absence of there being any statutory violation or constitutional

breach, is not required to look into these aspects of the matter.

The issue involved in this Writ Petition being a policy decision of the State, the same should be taken on the administrative side. The petitioner may ventilate his grievance before the competent statutory authority or the administrative authorities and it would be for the administrative authorities to look into the grievance of the petitioner and take such steps as may be permissible under law for redressal of the grievance of the petitioner.

The Writ Petition and the Interlocutory Application stand disposed of with the aforesaid liberty to petitioner and intervenor.
