Re.: Letters Patent Appeal No.917 of 2017

Now with the passage of time as the period for which the advertisement in question was issued being a contract appointment for one year is already over, we are not inclined to entertain this appeal. The legal question as to whether M. Tech in computer science obtained by the petitioner is equivalent to the degree which was notified under clause 3.2.1 of the advertisement is left open to be

considered in an appropriate case.

With the aforesaid, the appeal stands disposed of.
