CORAM: HONOURABLE THE CHIEF JUSTICE

ORAL JUDGMENT

Date : 30-08-2017

This application has been filed for modification/restoration of an order dated 24.8.2009 in C.W.J.C. No.5465 of 2004. The said writ petition was filed by the father of the petitioner challenging certain order passed by the departmental authority removing him from service on 18.9.2003. Father of the petitioner passed away in 2004 and when nothing was done for a period of more than five years, the writ petition was dismissed on account of the death of the sole petitioner. It is the case of the petitioner that the petitioner was a minor at that point of time. He was not aware of the

pendency of the matter. It was only in the year 2013 that he came to know that his father had filed some petition and seeking restoration of the petition now, challenging his removal, this application has been filed for modification/restoration of the application.

Keeping in view the facts that after the death of the original petitioner in the year 2004 nothing was done for a period of five years and on such consideration the writ petition was dismissed, now at the instance of the petitioner, after such a long period of time, I am not inclined to allow the prayer for modification.

The application is dismissed.
