ORAL ORDER

3 10-01-2017 Heard both sides.

The petitioner apprehends her arrest in Hajipur Town
P.S. Case No. 385/2016, registered for the offences punishable
under Sections 366A, 120B and 34 of the Indian Penal Code.

The informant filed complaint petition alleging therein
that her minor daughter aged about 14 years was kidnapped. On
26.05.2016 her daughter received a call and thereafter she left her
house. The informant informed the police and alleged that the
petitioner and others kidnapped his daughter. On the basis of
complaint petition filed by the informant the present F.I.R. was
lodged.

Learned counsel for the petitioner submits that petitioner
is maternal aunt of Sujit Kumar. Petitioner has no manner of

concern with the family affairs of Sujit Kumar. Petitioner has falsely been implicated in the case. On the date of occurrence itself the informant knew about the kidnapping, but the informant filed complaint case at a belated stage and on the next day the victim was recovered, but from perusal of the statement of the victim itself, it appears that it was the petitioner, who called the victim to her house, forced her to take egg and thereafter the victim became unconscious. The victim was taken to different places.

Considering the facts aforesaid and the fact that victim herself made specific allegation against the petitioner above-named, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
