CORAM: HONOURABLE THE CHIEF JUSTICE

ORAL JUDGMENT

Date: 20-03-2017

Alleging violation of an interim order dated 1.12.2009 passed in pending Cr. W.J.C. No. 885 of 2009, this application has been filed for initiating an action of contempt proceeding. It is an admitted position that the writ petition has been dismissed and no relief has been granted to the petitioner. Even though the learned counsel appearing in the present case submits that the writ petition has been dismissed on technical ground, but the fact remains that the writ petition has been dismissed and no relief has been granted to the petitioner. If the writ petition has been dismissed on technical ground,

no case for initiating a proceeding of contempt is made out. However, in case the petitioner has any grievance for dispossession, he may take recourse to such remedy under law for restoration of possession or claim of damage.

The application is disposed of with the liberty indicated hereinabove.
