**ORAL ORDER**

Heard learned counsel for the petitioner and the State.

The petitioner, who is the husband of the deceased, seeks bail in a case instituted for the offence under Section 304 (B), 328/34 of the Indian Penal Code.

It is alleged in the written report that the daughter of the informant was lying restless and crying in the maize field. The informant got information and went there and his daughter told him that all the accused persons have administered forcibly poisonous substance and she was thrown in the field by the petitioner. It is further alleged that since the daughter (deceased) was issueless and due to this, accused persons have committed this occurrence.

The police has mentioned postmortem report in para 43 of the case diary wherein the doctor has stated that no cause of

death could be ascertained but viscera report has been preserved.

Learned A.P.P. has submitted that all the witnesses in the case diary has stated that the deceased was administered poison in Sasural and she was brought in restless condition and thrown in the field.

The informant has appeared personally in the Court and stated that her daughter was short temper.

Considering the above facts and circumstances of the case and the specific allegation that deceased was administered poison, I am not inclined to grant bail to the petitioner and accordingly, the prayer for bail is rejected

The trial Court is directed to expedite the trial and make efforts to dispose of the same expeditiously.
