CORAM: HONOURABLE THE CHIEF JUSTICE

and

HONOURABLE MR. JUSTICE ANIL KUMAR UPADHYAY

ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 08-11-2017

From the counter affidavit filed by the respondents,
we find that the North Bihar Power Distribution Company has
settled the claim of the appellant and statutory interest in
accordance to the scheme has been paid with regard to G.P.F.
and General Insurance Scheme.

The claim of the appellant for grant of interest at
the rate of 16 per cent per annum cannot be allowed as the

amount in question is governed by statutory scheme and the interest is also fixed by the statute.

As the payment of G.P.F. and G.S.S. has been done along with interest as per the statute, no further indulgence into the matter is called for as the claim of the appellant has been settled in accordance with law. In case the appellant has any grievance with regard to calculation of the interest or the period for which the interest has been calculated, he may represent to the competent authority and the competent authority may consider the same.

With the aforesaid, the Letters Patent Appeal stands disposed of.
