CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

3 04-09-2017 Heard learned counsel for the petitioner.

This is an application for bail in connection with Katihar Town P.S. Case No. 741 of 2016 registered for the offences punishable under Sections 363, 364A, 365, 302, 201 and 120B/34 of the Indian Penal Code.

Allegation against the petitioner is of kidnapping son of the informant for ransom and he was buried alive by accused persons.

Submission of learned counsel for the petitioner is that petitioner is not named in the FIR and nothing is specific against the petitioner except there is confessional statement of co-accused. Further submission is that demand is concerned, the allegation against other accused persons and he is in custody since 2.3.2017.

Heard learned APP and learned counsel for the informant, who have vehemently opposed the prayer for bail stating that several incriminating articles have come during investigation against the petitioner, which has been dealt with by the learned Sessions Judge in his impugned order.

Having heard both sides and in view of facts and circumstances, I am not inclined to grant bail to the petitioner.

However, learned trial court is directed to expedite the trial of the petitioner by conducting it on day to day basis and try to conclude it within nine months as learned counsel for the informant undertakes before this Court that informant will co-operate in disposal of the case.

With the above observation, this application is dismissed.
