ORAL ORDER

2 25-04-2017 Heard both sides.

The petitioner seeks bail in Bakhtiarpur G.R.P. P.S. Case
No. 87/2016, registered for the offences punishable under Sections
302, 201 and 34 of the Indian Penal Code.

The informant alleged that the petitioner and others
killed his daughter and threw her dead-body on a railway track.

Learned counsel for the petitioner submits that from
perusal of fardbeyan of the informant itself, it appears that the
dead body of his daughter was found on a railway track on
08.10.2015. The informant received the dead-body, but did not
make any allegation against the petitioner who happens to be the
mother-in-law of the deceased. Thereafter U.D. case No. 42/2015
was registered and the police after investigation submitted final

form, but thereafter, the informant filed this case on 17.09.2016 i.e., after more than nine months from the date of registration of U.D. case and alleged that the petitioner and family members including the husband killed the daughter of the informant and threw her dead-body on a railway track. It is submitted that the entire allegation is false and concocted.

Considering the facts aforesaid and the fact that the informant did not make any allegation against the petitioner at the time of registration of U.D. Case No. 42/2015 and after nine months from the date of death of his daughter, the informant made allegation that the petitioner and others killed his daughter and threw her dead-body on a railway track, the petitioner above-named, is directed to be enlarged on bail on furnishing bail bond of Rs. 10,000/- (Ten thousand) with two sureties of the like amount each to the satisfaction of Additional Sessions Judge IInd, Barh, Patna in connection with Bakhtiarpur G.R.P. P.S. Case No. 87/2016.
