Order On Board

08/11/2017

Heard.

1. The petitioners, by this petition, are praying for issuance of mandamus to respondents to grant them some relaxation on the ground that the petitioners having worked as Panchayat Secretary are entitled to weightage. It is submitted that weightage of 15 marks has been given to those candidates, who were possessed of Post Graduate Diploma or Post Graduate Degree in Rural Development.
2. Learned counsel for the petitioners could not point out that there is any such scheme of relaxation under the Recruitment Rules or the policy under which the recruitments have been made. Whether or not relaxation should be

given for having obtained working experience on any other post, is essentially in the realm of policy making. Relaxation of 15 marks have been granted to a class of candidates on the basis of qualification and not on the basis of experience gained on any other public post. Therefore, in these circumstances, no direction can be issued.

3. It would, however, be open for the petitioners to represent the competent authority to consider their claim of relaxation on the ground of they being possessed of experience of having worked as Panchayat Secretary.

4. Accordingly, the petition is disposed off.
