Order On Board

10/08/2017

Petitioner's grievance is that the transfer order issued by the State Government on 22/07/2016 is not being followed with the result that the petitioner, till date, has not been relieved.

2. Learned State counsel submits that once there is an order of the State Government, all the subordinate officers are under an obligation to comply with the directions unless the order is already cancelled, varied or modified.

3. In view of the statement made by learned Dy.A.G, this petition is disposed off with a direction to respondent no.3 to forthwith relieve the petitioner unless the Government has already passed an order before the date of filing of this petition cancelling, varying or modifying the order.

It is made clear that respondents 3 shall not indulge in unnecessary communication. Unless the order is cancelled, varied or modified by the State Government on or before the date of filing of this petition, the petitioner will have to be relieved towards compliance of the transfer order.
