Order On Board

11/5/2017

1. Heard.
2. The petitioners have preferred these writ petitions seeking direction to the authorities to reconsider their claim for contract appointment on the post of Ward Boy.
3. In the course of hearing, learned counsel for the petitioners would inform that the respondents have issued fresh advertisement in November 2016 for making regular recruitment on the post of Ward Boy, however, he is not aware as to whether the said recruitment process is over or not.
4. It is the settled law that a contract appointee has no right to claim the post nor any such appointment can be regularized in view of the law laid down by the Supreme Court in the matter of **Secretary, State of Karnataka & others vs. Umadevi (3) & others, (2006) 4 SCC 1.**

5. Even otherwise, the petitioners' services have come to an end on completion of contract period in view of Rule 11(4) of the *Chhattisgarh Civil Sewa (Samvida Niyukti) Niyam*, 2012, which provides that a contract appointment shall stand terminated automatically on expiry of the period of contract appointment and there shall be no need to issue separate order terminating the service. The respondents have not terminated the petitioners by casting stigma. It has come to an end by efflux of time.
6. The petitioners having no right to hold the post, a mandamus cannot be issued to reconsider their case for re-appointment and more so, when the Department has already proceeded to fill up the post by regular recruitment.
7. However, if the petitioners have applied pursuant to the fresh advertisement and the recruitment process is not over, their case may be considered by the respondent authorities by granting age relaxation looking to the length of contract service and as per the extant rules (See: **Harminder Kaur and others Vs. Union of India and others, (2009) 13 SCC 90**).
8. For the forgoing, the writ petitions are dismissed, subject, however, to the observations concerning age relaxation to the petitioners.
