Order On Board

1. It appears that this revision is against the framing of charge. The matter was passed over once in absence of any representation on behalf of the applicant. No one appears for the applicant even in the second call.
2. The case is not admitted for hearing and the default has also not been removed. In the circumstances, there is no other option left with the Court but to dismiss the revision for want of prosecution.
3. Accordingly, the revision is dismissed for want of prosecution.
