9. The joint compromise pursis is signed and verified by the applicant and respondent no.2 in Criminal Application No. 409/2017.

10. We have interacted with the applicants and the first informants and also injured witnesses, they have stated that it is their voluntary act to enter into the compromise/settlement without any coercion and to maintain cordial relation in future with each other, they have decided to file compromise pursis.

11. We have carefully perused the allegations in the First Information Reports and also charge sheets. Upon careful perusal of the injury sustained by the injured witnesses are simple in nature, except one injury sustained by Turabkhan Habibkhan. Though the nature of injury on left hand over middle finger is grievous injury, same is not

on vital part. Even another injured witness namely Mazhar Khan Nazirkhan Pathan sustained grievous injury. However, according to the learned Advocate appearing for him, he was not treated as indoor patient for long time and he was discharged from Hospital immediately.

12. It appears that applicants and informants have filed cases against each other out of political rivalry. The parties have voluntarily decided to settle the dispute and bury the grievance against each other by adopting the policy of forget and forgive, they have decided to co-exist and live in a peace and brotherhood, foreseeing it as beneficial to maintain the health, texture and harmony of the society of which, they are responsible members.

13. It clearly emerges on record that the parties have amicably settled the dispute

and not to ready to proceed with the further proceedings arising out of the First Information Reports bearing Crime Nos. 276/2016 [Charge sheet no.320/2016 in RCC No. 389/2016], Crime No.0279/2016 and Crime No. 0277/2016, registered with Nanalpeth Police Station, Parbhani, District Parbhani, respectively. It means neither the informants nor the witnesses are going to support the allegations and as a result continuation of further proceedings arising out of the aforementioned Crimes would be abuse of process of law / court.

14. In that view of the matter, keeping in view the parameters laid down in the case of **Gian Singh Vs. State of Punjab & another**¹, and also in the case of **Narinder Singh & others Vs. State of Punjab & another**², we are inclined to allow these Criminal Applications.
