DATE :- 12th June, 2017

PC.:

1 On the basis of the compensation awarded by the Reference
Court by its judgment and award dated 02.05.2014, the Petitioners and
some others sought modification in the compensation awarded to them.
Rather they sought enhancement on the basis of the awards of the
Reference Court. This was a right created by Section 28-A of the erstwhile
Land Acquisition Act, 1894. That was sought to be enforced and exercised
and by making applications and enclosing therewith relevant documents.

2 Inaction on the part of the State in not deciding such
applications is the subject matter of these petitions.

3 There is no affidavit denying the contents of the petitions or
annexures thereto.

4 The notice was issued on these petitions way back on
10.08.2016. There was enough opportunity for the contesting parties to
place their version on record. There being no such contradicting material
nor any denial of statement of facts, we direct consideration of these
applications expeditiously. All the pending applications in these petitions
shall be duly considered and disposed of as expeditiously as possible and
preferably by 31.08.2017.

5 The Writ Petitions are, accordingly, disposed of.
