PER COURT :-

1. It appears that the judgment and award passed by the Reference Court, the petitioner/original decree holder has also preferred an appeal for enhancement and the Respondent-State has also preferred an appeal against the judgment and award passed by the Reference Court. Both the appeals are pending before this Court. The petitioner may file an appropriate application in the pending appeal seeking directions to the executing court. However, this writ petition cannot be entertained since the appeal preferred by the State is pending before this Court. Writ Petition is disposed of. No costs.
