***WRIT PETITION NO.121 OF 2015***

Versus  
State of Information Commissioner  
and another. .... Respondents.

Mr. Cedric Bosco Savio Lobo, Petitioner in Person.

***Coram : N.M. Jamdar &***

***Date : 15 November 2017.***

**P.C.:**

Heard Mr. Cedric Lobo, the Petitioner in person.

2. The Petitioner in person is aggrieved by non-supply of the information sought for under the Right to Information Act and also non-imposition of penalty on the Officer for not furnishing such information.

3. We have gone through the Petition and also the original application made by the Petitioner in person, requesting the information under the Right to Information Act. We find that the information sought for is details of the NOCs granted by the Village Panchayat of Calangute for the purpose of carrying commercial activities of shops, restaurants, bars, workshops, etc., from the year

2008 to 2011. This is a wide and far ranging inquiry. As per the Petitioner in person's own contention, the information sought for and needed by the Petitioner is specific. In the light of this position, this Court, by an Order dated 25 September 2017, had indicated that such a wide ranging application may not be entertained.

4. To put an end to the controversy and that the Petitioner's primary interest is to get the specific information about the particular property in view of his on going family dispute pending in the Courts, it will be therefore appropriate that the Petitioner in Person makes a fresh application under the Right to Information Act indicating specific particulars of the information sought for. The Petitioner in Person is agreeable to this course of action and states that such an application will be made within a period of two weeks to the Appropriate Authority. Upon receipt of such an application, the Appropriate Authority will decide it as per law, within a period of four weeks.

5. In view of this position, nothing further survives in this Writ Petition which is accordingly disposed of. All parties to act on duly authenticated copies.
