P.C.:

The applicants seek the release of the balance amount deposited by the respondents in this Court. The applicants were initially allowed to withdraw the undisputed amount of ₹15,19,428/- by an order dated 1/07/2016 without prejudice to the rights of the parties. From the calculations submitted by the Registry a sum of ₹21,25,165.97 was due to the applicant with further interest till the actual payment. The Registry of this Court has computed the amount which is due and payable to the applicants. Though the respondents have denied their liability to pay the said amount, the calculation of the Registry have not been singularly disputed by them by placing a separate calculation sheet. In view thereof the applicants are held entitled for the withdrawal

of the balance amount of ₹9,14,454.17 and the surplus if any be returned to the respondents. In view thereof the application stands disposed off.
