P.C.

1] Insofar as this civil application is concerned, it is filed by an employee of the Corporation against whom an action was taken in pursuance to the orders passed by this Court. Several reliefs are

claimed in this application. We find that the reliefs so claimed cannot be granted in an application of the intervenor. If the applicant – intervenor is aggrieved by any of the actions of either the Corporation or any other authority, he can independently pursue his remedies but the same cannot be permitted in this application. Reserving his right to take such steps as are permissible in law for his remedies, civil application is disposed of.
