

work orders for the construction of fifteen public toilet blocks in pursuance of the tender notice No. 28/2012-13.

The cause for filing the writ petition must have been rendered infructuous due to passage of time. Though, we had issued notice to the respondents by the order dated 8th April 2013, interim relief was not granted in favour of the petitioner. Since more than four years have lapsed from the date of issuance of the tender and since no interim relief was granted in favour of the petitioner, the public toilet blocks must have been constructed, by now.

In the circumstances of the case, we dismiss the writ petition with no order as to costs.

With the disposal of the writ petition, the civil application stands disposed of.
