The petitioner claims to be a project affected person. The land of the petitioner was acquired for Tulsi Dam Project. The case of the petitioner is that though part of alternative land has been allotted to him, however, 80 Ares of alternative land to which he is entitled has not been allotted. For allotment of this 80 Ares of alternative land, the petitioner has made a proposal/ application dated 7th May 2015 to respondent No.2- District Resettlement Officer,
