CORAM : A.M.BADAR J.

DATED : 20th MARCH 2017.

P.C. :

1 None for the revision petitioners when the revision petition is called out for hearing.

2 Record shows that on 04/04/2016, the revision petition was adjourned for withdrawal to 05/04/2016. It is also seen that on 05/04/2016, it came to be adjourned to 12/04/2016 as a last chance. On 12/04/2016, none appeared for the revision petitioners.

3 Today also, none appeared for the revision petitioners. It appears that the revision petitioners have lost interest in prosecuting the instant revision petition.

Hence, the revision petition is dismissed for want of prosecution.
