Mr.Dhananjay K.Chavan with Mr.Rajendra A.Choudhari, for the
Petitioners.

Mr.P. P. Kakade, AGP for the State-Respondents.

CORAM :- DR. MANJULA CHELLUR, C.J., &
G. S. KULKARNI, J.
DATE :- JANUARY 24, 2017

P. C. :-

1. The petitioners' Counsel placing reliance on the order dated 19 December 2016 passed by this Bench in Writ Petition No.3780 of 2016 would contend that all these matters pertain to the projects i.e. Dhom Dam Irrigation Project, Koyana Dam Project and

Ujani Dam Project, which came to be acquired under the same notification in the year 1970. According to the learned Counsel, in spite of the land losers (PAPs) have opted for allotment of alternate lands as and by way of rehabilitation and in spite of deposit of the required amounts, they have not been given the allotment of the land and put them in possession of the same. In other words, all formalities for allotment of alternate lands have been complied with, but there is no proper course of action completing the process of rehabilitation being completed on the part of Rehabilitation Officer concerned.

2. Accordingly, the Petitioners seem to have issued notice through their Advocate requesting to expedite the process of disposal of their applications for rehabilitation. They were also required to file Writ Petition No.936 of 2015 which came to be disposed of on 29 February 2016 under similar circumstance. There the Court directed for allotment of alternate lands for project affected persons.

3. Learned Government Pleader Mr.Kakade submits that the fact that all these Writ Petitions are similar to the one which was the subject-matter of Writ Petition No.936 of 2015 as well as Writ Petition No.3780 of 2016, and therefore, same principle can be applied.

4. In the light of the above directions, we are of the opinion that the Respondent-Rehabilitation Officer has to accelerate the process of allotting alternate lands which are already identified to

each of the Petitioners in the above Petitions who are entitled for such allotment only if they comply with the necessary conditions and are entitled. It is needless to say that the consideration of the applications or representations concerned, has to be strictly in accordance with the procedure contemplated, keeping in mind the fact that since 1970 the Petitioners are deprived of benefits of the land belonging to them since they were acquired. They are not put in possession of the alternate land till date.

5. We accordingly dispose of the Writ Petitions by directing the Respondents to treat the legal notice dated 25 January 2016 and also the present petitions itself as representations and dispose them of strictly in accordance with law, based on merits, as expeditiously as possible, in any case not later than three months from today.
