

2. The Prisons (Bombay Furlough & Parole) Rule, 1959 provide for appeal against an order of rejection of parole. The record of the petitioner shows that he has not preferred any appeal in relation to the orders dated 14/9/2016 and 20/3/2017. It is not possible for us to directly entertain a Writ Petition against the orders of rejection of application for parole and the petitioner has to be relegated to the remedy of preferring an appeal against the said orders. In this view of the matter, we are not inclined to interfere.

3. Rule is discharged.
