P.C.

1 Ms.Pamnani states that she has recently been instructed by the petitioner and undertakes to file Vakalatnama within one week. Ms. Pamnani also states that she wishes to take out a chamber summons for leave to amend the petition and the said chamber summons will be lodged and copy served within two weeks from today.

2 The present chamber summons which is taken out by the caveator is

for condoning the delay of 28 days in filing the affidavit in support in support of the caveat.

3 The caveat is lodged within 14 days prescribed but there is a delay in filing the affidavit in support to the caveat. I have considered the affidavit in support and in my view, it is fit case to condone the delay.

4 The delay condoned. The registry to accept the affidavit in support of the caveat and take the same on record subject to removal of office objections, if any.

5 The chamber summons accordingly disposed.
