**CORAM: G.S. PATEL, J
DATED: 20th February 2017**

PC:-

1. A fresh notice was issued on 26th February 2016 because the earlier notice was misplaced. Since then the notice has not even been served. The reason given today is that the parties were “talking about a settlement”.

2. The Notice is of 2013. We are now in 2017. Yet these parties seem to believe they can continue in this desultory, lethargic and self-indulgent manner. Court litigations are not for the shiftless.

3. The Notice is discharged and dismissed.
