P.C.

1. This Notice of motion has been filed seeking extension of time to file the written statement.

2. When this matter appeared before this Court on 23.7.2013, the Defendant was directed to file its written statement on or before 5.12.2013. Though the Defendant was served in the month of July, 2013 the written statement was not filed by the

Defendant by 5.12.2013. In these circumstances, by an order dated 29.1.2014 the Prothonotary and Senior Master of this Court transferred the Suit to the list of “Undefended Suits”. It is only thereafter on 9.10.2013, the present motion has been filed seeking extension of time to file the written statement. There has already been a considerable delay in filing the written statement.

3. Be that as it may, when this Notice of motion was called out for hearing today, none appeared on behalf of the Defendant. It appears that they are not interested in defending the present Suit.

4. In this view of the matter, the Notice of motion is dismissed for want of prosecution.
