Mr. Sachin Chitnis i/b. Ms. Padmavati Patil for the respondent.

DATED :- APRIL 24, 2017

1. Having heard both sides and finding that in the peculiar circumstances explained in the affidavit in support, the delay has occurred and which constitutes sufficient cause, we allow this notice of motion. Though the delay of 3002 days has occurred, it is explained in the affidavit that the same occurred only because of the advise given earlier to file the proceedings before the High Court of Gujrat. In these circumstances, the motion is made absolute in terms of prayer clause (a). There would be no order as to costs.
