ORDER

This petition is filed seeking a direction to the third respondent to register a case based on the complaint lodged by the petitioner dated 31.10.2016 vide CSR.No.787 of 2016 on the file of the 3rd respondent and investigate the same in accordance with law.

2. By consent of both sides, this Criminal Original Petition is taken up for final disposal.

3. The grievance of the petitioner is that inspite of a complaint given by him on 31.10.2016 to the 3rd respondent, the same has been in abeyance without any action. It is well settled in the judgment of the Hon'ble Supreme Court in ***Lalita Kumari Vs. Government of Uttar Pradesh and others [2013 (6) CTC 353]***, that registration of an FIR is mandatory under Section 154 of the Code of Criminal Procedure if an information furnished to the police officer disclose commission of a cognizable offence and in cases where the information does not disclose a cognizable offence, a preliminary enquiry has to be conducted.

4. The third respondent is not justified in having received the

complaint and keeping it unattended without any further action. In view of the same, the petitioner has made out a case for this Court to invoke its inherent powers under Section 482 of the Criminal Procedure Code. Hence, the third respondent is directed as follows:

1) If the information received by the third respondent discloses commission of a cognizable offence, then, the same shall be forthwith registered.

2) If an information received does not disclose a cognizable offence, the third respondent shall conduct a preliminary inquiry to ascertain whether cognizable offence is disclosed therein or not and such inquiry shall be completed within a period of seven days from the date of information.

3) If the inquiry discloses the commission of a cognizable offence, the FIR must be registered, if not already registered or closed.

4) If the preliminary inquiry ends in closing the complaint, the disclosure report must be recorded along with the reasonings and a copy of the same shall be furnished to the complainant within one week.

5) All information relating to cognizable offences whether resulting in registration of FIR or leading an

inquiry must be reflected in the general diary/station diary/daily diary of the third respondent's police station.

5.In the result, the Criminal Original Petition is allowed with the above directions.
