By consent, the writ petition is taken up for final disposal. Mr.K.Dhananjayan, learned Special Government Pleader accepts notice on behalf of the respondents.

2.The petitioner would state that he was appointed on 16.06.2005 by the sixth respondent as a Driver on contract basis and all of a sudden, he was terminated from service on 10.05.2016 stating that the said post has been filled through regular recruitment. The petitioner would further state that he has rendered unblemished service and he and his family are solely depending upon the income earned out of the said occupation and on account of his sudden termination, he and his family are left in lurches and in this regard, he has also submitted a representation dated 15.12.2016, to the fourth respondent praying for continuation of his service as Driver and since no response is forthcoming, came forward to file this writ petition.

3.The learned counsel appearing for the petitioner would submit that the petitioner was working for nearly eleven years and to maintain his family, depend upon such income and all of a sudden, his services were terminated and therefore, prays for appropriate orders for the reinstatement.

4.Per contra, learned Special Government Pleader appearing for the respondents would submit that the services of the petitioner were purely temporary and since regular recruitment has been made, he was rightly terminated from service.

5.This Court heard the rival submissions and also perused the materials placed before it.

6.Though, the petitioner prayed for a larger relief, this Court in the light of the above facts and circumstances and without going into the merits of the claim projected by the petitioner, directs the fourth respondent to consider and dispose of the petitioner's representation dated 15.12.2016, on merits and in accordance with law and pass orders, within a period of six weeks from the date of receipt of a copy of this order and communicate the decision taken, to the petitioner.
