COMMON JUDGMENT

(Judgment of the court was made by HULUVADI G.RAMESH, J.)

Heard the learned counsel appearing for the parties for some time.

2. The writ appeals have been filed by the Tamil Nadu Electricity Board, challenging the common order of the learned Single Judge granting eight weeks time from the date of receipt of copy of that order, to enable the writ petitioners to obtain BIS certification and type test certification and get qualified to participate in the tender.

3. It is now brought to the notice of the court that the time granted by the learned Single Judge is almost coming to an end and all the formalities have also been completed. Considering the same, this court is of the view that there cannot be any scope for interference with the order of the learned Single Judge. Accordingly, the writ appeals are disposed of. No costs. The connected miscellaneous petitions are closed.
