

W.P.(Filing)No.12197 of 2014

T.RAJA, J.

Although the matter is shown on the board under the caption “WP SR stage default cases”, when it was called, none appeared for the petitioner. Further it appears that the defects pointed out by the Registry have not been cured though the writ petition pertains to the year 2014. Hence, the W.P.(Filing) No.12197 of 2014 stands rejected for not curing the defect(s) pointed out by the Registry and also for non-representation by the petitioner.
