2. Despite the Commissioner had given notice to the revision petitioners/defendants, they could not be present and sought time. However, the Commissioner along with the Surveyor, has visited the property and filed his report, which is not favourable to the defendants. Hence, the application has been filed by the defendants to scrap the report of the Commissioner. The said application was rightly dismissed by the learned trial Judge and it does not warrant any interference also. However, liberty is granted to the revision petitioners to examine the Commissioner and Surveyor and also file his objections to the report of the Commissioner.

3. With the above observation, the Civil Revision Petition is disposed of. No costs. Consequently, connected miscellaneous petition is closed.
