The petitioner who was working as Senior Technical Assistant, IIT, Madras retired from the service on 31.03.2009. It appears that there was some pay anomaly, for that the petitioner had filed writ petition. The anomaly was removed by Board of Directors, IIT, Madras who fixed the notional pay since 01.07.1982 but it has been effected only from 15.07.2013 in his pension. Seeking that a direction may be issued to the respondent he has filed the writ petition No.15510 of 2016

directing the respondent to dispose the representation of the petitioner dated 08.01.2016 and ordering the respondent to extend the financial benefit which was notionally fixed with effect from 01.07.1982. During the pendency of the case the respondent negatived the petitioner claim as per the letter dated 09.11.2016. He has to challenge the impugned order in a fresh writ petition, in the High Court of Madras if advised. Hence this writ petition has become infructuous and dismissed accordingly, giving liberty to the petitioner to file another writ petition to challenge the impugned order dated 09.11.2016 for the above relief, if advised.
