ORDER

(Order of the Court was made by The Hon'ble Chief Justice)

<https://hcservices.ecourts.gov.in/hcservices/> We are not satisfied that there is any case made out for willful disobedience of the order of this Court.

2. Admittedly, the order of the learned Single Judge was set aside by the Division Bench vide order dated 24.10.2007. The only concession made on behalf of the respondents before the Division Bench was that as and when the vacancy arises in the categories mentioned in paragraph 7 of that order, the petitioner will be considered for the said vacancy and, if found suitable, would be appointed on priority basis. There is nothing placed before us that the vacancy has arisen or that the petitioner has got consideration, especially, as there is a complete silence at least so far as the records are concerned for a period of seven years after the order was passed and only a legal notice was sent on 04.10.2014, whereafter, also there is a silence.

3. We may however leave it open to the petitioner to approach the respondents with appropriate request for consideration and if any letter is sent, the respondents would respond to the same intimating the position in this behalf within one month of the receipt of such a letter. The letter of the petitioner should accompany with the copy of this order.

4. The contempt petition is dismissed with the
aforesaid observation.
